Europe by Train: Practical, Economic and Relaxing!

The Trains

- All major European rail routes are served by **Premier Trains**, comfortable high speed trains.
- **Night trains** for long distances private and shared cabins are available.
- **Scenic trains** with exciting views and relaxing trips.
- Also, **rail and drive** options are available. The best of two worlds, use trains for long distances trips and the car to explore a region.

The Train Stations

- The European trains stations are always conveniently located. Save with no airport transfers.
- A full range of services are available at major train stations including lockers, car rental, souvenir stores, fast foods and restaurants.
- **Hotels at trains stations** are available at many locations.
- Also, **walking distances** **hotels** normally are available.

A Value Fare

- Depends on your itinerary, you will find the right European rail pass or ticket/reservation that better fits your need with a value fare.
- Special fares are available when travel a family or 2 or more persons together. (**Saverpass**).
- **Youth fares** for persons under 26 years old.
- **Senior fares** for persons with 60 or more years old.
